*A journey into history*

# VERGENOEGD

WINE ESTATE

ANNO 1773

Outside Stellenbosch, at the foot of the Helderberg, Vergenoegd (Dutch for satisfaction achieved) has been in the Faure family for six generations. The estate and antique-filled Cape Dutch manor house, a national monument, takes the visitor a step back in time.

Adding to their many award winning reds, (Vergenoegd Cabernet Sauvignon four time Grand Champion and gold medalist at Concours Mondial), the classic range of rich, full bodied red wines, an elegant Estate Blend and a Port, is complimented by the Runner Duck range - playfully elegant and fun loving red, white and rose blends.

Cellar master John Faure and viticulturist/winemaker Marlize Jacobs, in partnership with good maritime terroir and unique soils, produce Vergenoegd's multi-award winning wines.

The Indian Runner Duck play an important eco-friendly role at Vergenoegd. They patrol the vineyards daily, assisting in snail and pest control.
