

Signal Gun

Wine Enthusiast Workshop...

where you "sip, learn & enjoy" an informative evening with Cape Wine Master and winemaker of Maison de Teijger, Charl van Teijlingen. Each evening consists of an informative presentation, a blind tasting of at least TEN wines and ends off with a THREE course meal with the cultivar of the evening in mind.

CULTIVAR: SHIRAZ

Syrah, also known as Shiraz is a dark-skinned grape variety grown throughout the world and used primarily to produce red wine. DNA profiling in 1999 found Syrah to be the offspring of two obscure grapes from south eastern France, Dureza and Mondeuse Blanche.
