### Wine Enthusiast Workshop

You are invited to our monthly Wine Enthusiast Workshop, where you 'sip, learn and enjoy' an informative evening with Cape Wine Master and winemaker of Maison de Teijger, Charl van Teijlingen. Charl's knowledge and love for wine makes him the perfect choice as a presenter.

In the month of November, we take a look at the well-known cultivar, Sauvignon Blanc, the flavour can range from aggressively grassy to sweetly tropical. In cooler climates, the grape has a tendency to produce wines with noticeable acidity and "green flavors" of grass, green bell peppers and nettles with some tropical fruit. ~ Wikipedia

Once the presentation and blind tasting of at least 10 wines is concluded, there will be a 3 course meal prepared with the 'cultivar of the evening' in mind. You can order any beverages off the Ke-Monate @ Signal Gun wine list to accompany your meal, for your own account.

R230 per person, booking is essential as space is limited. Kindly call us on Tel: 021 976 7343 or email [functions@signalgun.com](mailto:functions@signalgun.com) to reserve your seat.
