

EXCEEDING ALL
EXPECTATIONS

Springtime is here and this season of new life is when we see buds starting to burst and vines beginning to grow, when blossoms are blooming and you feel like whistling along with the birds. Christina Rossetti summed it up perfectly 'Spring is when life's alive in everything.' It's also a terrific time to enjoy refreshing new wines from this year's harvest and we have some exciting new ones to introduce to you below.

New Vintages

Our Spring new releases include our Flagship **Zevenwacht Sauvignon Blanc 2014**, crisp, dry and totally refreshing with an abundance of granadilla, asparagus, green bean and gooseberry on the palate. A fabulous pairing with seafood.

Other new vintages are our **7even Sauvignon Blanc 2014**, **7even Bouquet Blanc 2014** and the absolutely delicious **7even Rosé 2014**, crisp and dry with oodles of ripe berry flavours on the palate. The 7even Rosé 2014 is made from specifically planted Cabernet Franc grapes to produce this elegant Rosé - perfect for Springtime sipping and pairing with Pizza or tapas.

Visit the Wine Tasting Centre for a first hand tasting of these stunning new vintages or order your new vintages here.

Z-ensational New Packaging

The Z Collection range has been given a sophisticated and classic new look which more closely reflects the refined elegance of these wines. The new packaging maintains the quintessential 'Z' and vine-leaf script to keep it recognisable but the gold elements add the discerning and regal qualities of this range.

The range consists of the Bordeaux Style Blend, the newly released Grenache, 360° Sauvignon Blanc, Gewürztraminer. The Grenache and Gewürztraminer are available exclusively from the Estate and in limited quantities.

New Faces

Charles Lourens, garagiste winemaker, talented video- and photo journalist, joined us for this harvest to assist Jacques in the cellar and we are delighted that he decided to stay with us permanently as Assistant Winemaker. Charles contributes his own unique passion to the team from his five plus years of garagiste winemaking as well as a creative flare for bringing people closer to the moments in wine.
