Wine Enthusiast Workshop

You are invited to our monthly Wine Enthusiast Workshop, where you 'sip, learn and enjoy' an informative evening with Cape Wine Master and winemaker of Maison de Teijger, Charl van Teijlingen. Charl's knowledge and love for wine makes him the perfect choice as a presenter.

In celebration of the the new year, this month we will be delving into the world of Methode Cap Classique and Champagne ~ Know The Difference.

Once the presentation and blind tasting of at least 10 wines is concluded, there will be a 3 course meal prepared with the 'cultivar of the evening' in mind. You can order any beverages off the Ke-Monate @ Signal Gun wine list to accompany your meal, for your own account.
