### CONFERENCE PORTFOLIO

### 2015 - 2016

# VENUE

## THE CAPE DUTCH

Capacity : 30 - 80

Offering the most spectacular panoramic views of the Estate, the historic Cape Dutch building is a perfect place for smaller functions of up to 80 people. Large sliding windows that open up towards the beautiful gardens and oak trees make the Cape Dutch exceptionally suitable for morning weddings or conferences.

# VENUE

## THE RHEBOK

Capacity : 80 - 350

Built around the courtyard of the historical maturation cellar, our flagship venue blends heritage buildings and natural vegetation with cutting-edge architecture. The striking Bedouin tent under a permanent roof structure lends itself to a versatile space, where any type of function for up to 400 people can be accommodated. Incorporating a large bar area, serving areas, and the Estate's impressive modern Cape Dutch reception building, The Rhebok is a one-of-a-kind venue.
