

GROOTE POST

ANNO 1706

THE ONLINE WORLD OF GROOTE POST NOV 2015

The Darling Spring flowers came and went in a short 3 weeks this year, with nature adjusting itself to the very dry year we have had with yearly rainfall down by 60% to date. On the wine show side it has been anything but a dry year with 5 of our wines getting gold medals at various wine shows. The second season of our Country Market is in full swing, so be sure to make your way to the farm on the last Sunday of each month. Lukas has made the second vintage of our Limited Release Pinot Noir Rosé which is only available at the market, salmon tinged in colour and brimming with gorgeous fruit. As always we look forward to you coming to visit us at the farm.
